

St Peter's Catholic Primary School

School Sports Funding

Funding Allocation – 2021 – 2022

The government currently provides additional funding per annum to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary school headteachers. This year, the funding for each school has been doubled.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding

Schools must spend the additional funding on improving their provision for PE and sport, but they have the freedom to choose how they do this.

St Peter's Catholic Primary School will receive: £19,700 in 2021 – 2022

Objectives of spending:

- To continue to improve the provision of PE and sport through professional development.
- To support and engage the least active.
- To broaden the sporting opportunities and experiences available to pupils.
- To increase fitness and make sport and physical activity a way of life.
- To increase opportunities for pupils to be involved in competitive sport
- To provide equipment to widen children's experiences of different sporting activities.

This will be allocated as follows:

2021-22				
Allocation	Cost	Objectives	Intended Impact	Evaluation (To be completed through the year)
Sports coaches and Secondary PE teacher to teach lessons and work with staff to provide professional development.	£11,000	To develop teaching and learning across all strands of the PE curriculum and increase teacher's confidence and subject knowledge.
