

St Peters Catholic Primary School

Swimming Standards 2018-2019 Statement

This statement records the swimming standards achieved by Year 6 children at the end of 2018-2019 academic year. There are three swimming outcomes, which children achieve by the time they leave St Peter's Catholic Primary School. These are:

- Swim competently, confidently and proficiently over a distance of at least 25 metres
- Use a range of strokes effectively, for example, front crawl, backstroke and breaststroke.
- Perform safe self-rescue in different water based situations.

The table below shows the percentage of students who have swum 25m using a variety of strokes and performed a self-water rescue.

Percentage of students that swam confidently over a distance of 25 metres	Percentage of students that swam 25metres using a variety of strokes	Percentage of students who performed a self water rescue.
97%	95%	97%
