

## St Peter' Catholic Primary School

### Progression of Phonics

At St Peter's we have adopted the framework of

#### *Little Wandle Letters and Sounds:*

This programme overview shows the progression of GPCs and tricky words that we teach term-by-term at St Peter's. The progression has been organised so that children are taught from the simple to more complex GPCs, as well as taking into account the frequency of their occurrence in the most commonly encountered words. All the graphemes taught are practised in words, sentences, and later on, in fully decodable books. Children review and revise GPCs and words, daily, weekly and across terms and years, in order to move this knowledge into their long-term memory.

Our expectations of progression are aspirational yet achievable by ensuring our phonics lessons maintain pace, practice and participation by all children. Children who are not keeping up with their peers will be given additional practice sessions with individual and targeted intervention groups.
