Dear Parent/Carer,

I would like to invite you to our Open Evening here at The Champion School on Thursday, 25<sup>th</sup> June from 4.30 pm – 7 pm for parents/carers and boys in year 5.

Students and staff will be in attendance to answer questions, tour you around the school and introduce you to our wonderful Champion Community. Although I appreciate that many families may have siblings with us or parents and family that have attended previously, I would like to officially invite you to come into school to see our community in action.

I will be speaking at 4.30 pm and 6.30 pm with some of our students including our School Captains and year 7 students. Our year 7s would also be delighted to tour you around the school and give you their insight into school-life or, if you prefer, the school is open and you will be able to make your way around to see our facilities and speak to students and staff in different departments. The Headteacher's talk will also cover the school admissions process.

I understand how stressful transition from different key stages can be as I too am a parent with children at this stage of their education. We will endeavour to ensure, if you are able to join us, that you are fully informed about our school and its community on Thursday, 25<sup>th</sup> June. We will have additional small tours for parents of students with SEND separately in September as well, please contact [admissions@thecampionschool.org.uk](mailto:admissions@thecampionschool.org.uk) for more details.

We look forward to welcoming you in the summer, hopefully in the sunshine, to give you some insight into some of our unique school features including:

- Character development based on our school virtues which is embedded into all that we do.
- Outstanding academic achievements in all subjects and key stages.
- Faith development opportunities through our Catholic-life provision.
- Excellence in the extensive co-curriculum including national achievements and recognition in sport and music.
- Our unique community of which our alumni and families are proud to be a part of.

I hope that you are able to attend on the evening, please see our website or social media accounts on Facebook (The Champion School), X (@campionschoolAD) and Instagram (campionschoolAD) for more information on school life.

Best wishes and may God bless you and your families particularly during this Lenten season.

Yours faithfully

P Larner
