

**Homework**

Please find below three English tasks and three Mathematics tasks for children to complete for their homework this week. Our recommendation is that children complete Task 1 for English and Maths on Tuesday, Task 2 for both on Wednesday and Task 3 for both on Thursday. This short, frequent style of homework will support children to consolidate their learning. Please find the answers on the class page. *The expectation is that children mark alongside parents/carers or self-mark.*

Children are to hand in their homework on Monday morning, alongside their reading record.

## Easter Around the World

Christians around the world have different Easter traditions.

### France

There is a tradition that started in the French town of Bessières where many people get together on Easter Monday and create one very large dish of eggs called an omelette. They feed anyone who comes to watch.

### Sweden and Finland

Children in Sweden and Finland dress up in costumes during the week before Easter. They travel door to door to wish people a happy Easter and they receive a chocolate egg in return.

#### Did You Know...?

Thousands of eggs are used to create the large omelette in France.

### Bermuda

People all over the small island of Bermuda make and fly kites on Good Friday. The kites in the sky represent Jesus rising back into heaven.

### Russia

Christians in Russia go to church on the Saturday night before Easter. They walk around the outside of the church at midnight and greet each other.

### Poland

Christians celebrate Easter in Poland with a special Easter basket that is taken to church and blessed by the priest. The basket will have different items such as eggs, bread, cake and bacon.

### Italy

The city of Florence has an Easter Sunday tradition that is hundreds of years old. A huge decorated cart full of fireworks is placed next to the church and lit during the Easter church service.
