

13 July 2026

Dear Parent / Carer

This is an exciting moment as you begin exploring the next step in your child's educational journey. We understand this time can come with a mix of emotions and plenty of questions, which is why we are inviting you to come and experience Mayflower High School for yourself.

Mayflower is more than just a school, it is a place where students grow into confident, independent, and articulate young adults. Our Year 7 students are welcomed with a vibrant and supportive transition programme designed to spark curiosity, build friendships, and inspire a love of learning from day one.

Over the past three years, Mayflower High School has gone from strength to strength. Under effective leadership, the school has maintained a clear focus on high-quality teaching and learning, resulting in sustained improvements in GCSE and A Level outcomes. This progress has been recognised through a strong Ofsted report, which praised the school's provision for personal development and well-being, as well as its high standards of attendance and behaviour. Together, these achievements reflect the school's continued commitment to providing an exceptional educational experience and its positive trajectory for the future.

To hear more about these important developments, I'll be giving a short talk during our **Open Evening** on **Thursday 17 September** at **5:15 PM**, with a repeat at **6:15 PM**. I look forward to sharing how these changes are making a real difference for our students. Open Evening is a great opportunity for you to meet our dedicated teachers and chat with our students about what life is like at Mayflower. If you would like to see the school in action during the day we will run tours of the school which you can book here [Year 6 Tours](#). Tour bookings are also available via our website.

We can't wait to welcome you!

Your sincerely

Damian Lee
Headteacher
