

Week 2 Homework

Please find below three English tasks and three Mathematics tasks for children to complete for their homework this week. Our recommendation is that children complete Task 1 for English and Maths on Tuesday, Task 2 for both on Wednesday and Task 3 for both on Thursday. This short, frequent style of homework will support children to consolidate their learning. Please find the answers on the class page. The expectation is that children mark alongside parents/carers or self-mark.

Children are to hand in their homework on Monday morning, alongside their reading record.

English		
Task 1: Grammar and punctuation	Task 2: Reading comprehension	Task 3: Spelling Pattern
<u>Expanded noun phrases</u> Underline the expanded noun phrase in the sentences below. A. The large, broken-down bus had to pull up at the side of the road while it waited. B. The insects that were destroying Farmer John's crops were in for a nasty surprise! C. The cute, new-born puppies stayed close to each other, nestling up to their mother for comfort. Rewrite the sentence below using expanded noun phrases. The city of Dublin is a great place to visit for a short city break.	10 During the Second World War, rationing (particularly of eggs and 22 sugar) meant that creative bakers had to find ways to adapt recipes 35 to allow them to still enjoy tea and cake at this difficult time. 37 Honey Cakes 38 Ingredients: 42 • 6 ounces self-raising flour 45 • 2 teaspoons honey 48 • 1 teaspoon sugar 51 • 2 ½ ounces margarine 55 • 1 level teaspoon cinnamon 56 Method: 64 1. Beat sugar and margarine until it becomes 68 a soft, creamy consistency. 78 2. Sieve flour and cinnamon; add it to the mixture. 88 3. Mix with a wooden spoon to bind the mixture together; 96 knead with fingers until the dough becomes soft. 104 4. Roll between floured palms into 16 balls. 113 5. Place the dough on a lightly greased baking 118 tray, flattening the rolls slightly. 128 6. Bake in a medium oven for about 15 mins. wear y

effect

Mathematics

Task 1: Fluency

Write these numbers in numerals:

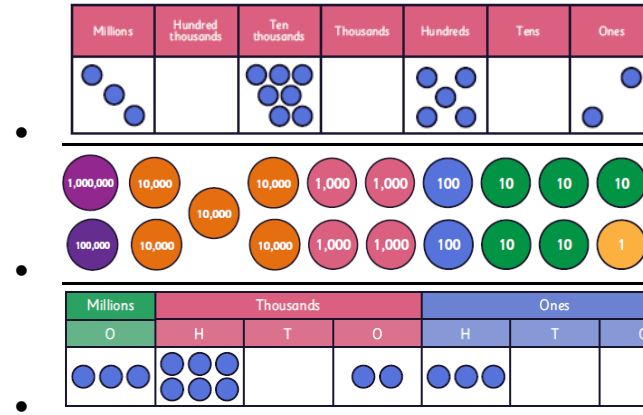

- three million, fifty-five thousand and seventy-two
- nine hundred thousand, four hundred and eighty-three

Write these numbers as words:

- 3,056,072
- 2,505,013

Task 2: Varied Fluency

Write the following numbers in words:

Task 3: Reasoning

Micheal thinks he has written the number eight million, sixty-two thousand, four hundred and seven in numerals.

8,620,407

Explain the mistake he has made and show how the number should be written.

Answers

English

Underline the expanded noun phrase in the sentences below.

A. The large, broken-down bus had to pull up at the side of the road while it waited.

B. The insects that were destroying Farmer John's crops were in for a nasty surprise!

C. The cute, new-born puppies stayed close to each other, nestling up to their mother for comfort.

Various answers, for example:

The facinating, cultural city of Dublin is a great place to visit for a short city break.

1. How many honey cakes would this recipe make?

This recipe would make 16 honey cakes.

2. Which word means the same as 'change'?

adapt

3. Why was this a difficult time?

Pupils' own responses, such as: This was a difficult time because rationing meant that there was a lack of food (especially treats like cakes) so that would be very hard for lots of people.

4. Why does the author describe bakers as **creative**?

Pupils' own responses, such as: Bakers were able to change recipes to still taste delicious despite some of the usual ingredients (sugar and eggs) being hard to come by.

Maths

Task 1: Fluency	Task 2: Varied Fluency	Task 3: Reasoning
Numerals: 3,055,072 900,483 Words:	- Three million, seventy thousand, five hundred and two - One million, one hundred and fifty-four thousand, two hundred and fifty-one.	Michael has put the place holder/digits in the incorrect place value columns. He places the digit 6 and 2 in the hundred thousands and ten thousands incorrectly. He should have written: 8,062,407.

St. Peter's Catholic Primary School

- Three million, fifty-six thousand and seventy-two.
- Two million, five hundred and five thousand and thirteen.

- Three million, six hundred and two thousand, three hundred.
