

Homework

Please find below three English tasks and three Mathematics tasks for children to complete for their homework this week. Our recommendation is that children complete Task 1 for English and Maths on Tuesday, Task 2 for both on Wednesday and Task 3 for both on Thursday. This short, frequent style of homework will support children to consolidate their learning. Please find the answers on the class page. *The expectation is that children mark alongside parents/carers or self-mark.*

English		
Task 1:	Task 2:	Task 3:
Writing	Reading/Phonics	Spelling Pattern
Writing https://www.phonicsplay.co.uk/resources/phase/3/sentence-substitution-ph3 Use the free resource on Phonics play to generate sentences. As an extension you can record these and up level them with different adjectives.	Phonics https://www.phonicsplay.co.uk/resources/phase/5/picnic-on-pluto Practise all Phase 5 phonics via Picnic on Pluto on Phonics Play.	Spellings This week please focus on practising all spellings that have been given to date. We will be testing some of them randomly next week. Please work through a few of the spellings each night. This will enable us to see which words need further embedding for next half term. We will be approaching this as what needs further practice rather than 'passing' or 'failing'. Strategies for retention can include short dictated sentences as well as the look, say, cover, write check model.

Mathematics		
Task 1:	Task 2:	Task 3:
Fluency	Varied Fluency	
This week we are consolidating our learning in our Place Value Unit. https://www.topmarks.co.uk/ordering-and-sequencing/caterpillar-ordering Please use the website to sequence and order numbers to 100.	Use the website to practise finding numbers on the 100 square, identifying more or less or in between and counting on and back from a given number. https://www.topmarks.co.uk/learning-to-count/helicopter-rescue and/or 10 more or less https://www.topmarks.co.uk/learning-to-count/chopper-squad
