

Year 3 Homework Autumn Term Week 12.10.2026

Please find below three English tasks and three Mathematics tasks for children to complete for their homework this week.

It should be completed in **the pink homework book** that was sent home at the start of the year. Please complete in pencil or **blue handwriting pen**. Any lines drawn (such as when underlining the date) should be in pencil WITH a **ruler/ straight edge**.

Each week remember to write and underline the date and rule off the last's week's work. This will reinforce the presentation standards we have in class. There is no need to print this sheet. Please only write the answers in the homework book.

Our recommendation is that children complete Task 1 for English and Maths on Tuesday, Task 2 for both on Wednesday and Task 3 for both on Thursday. This short, frequent style of homework will support children to consolidate their learning. Spellings and tables will be tested on Friday. Homework is due on **Friday**.

The expectation is that children mark alongside parents/carers or self-mark. We use a **green pen to tick answers** in class and make **corrections in purple pen**, but please use **any pen you have available at home**. Answers are below the questions.

Children are to show their completed MARKED homework on **FRIDAY** morning, alongside their **red reading record to show they have read aloud to someone** at home.
