St. Peter's Catholic Primary School

Homework

Please find below three English tasks and three Mathematics tasks for children to complete for their homework this week. Our recommendation is that children complete Task 1 for English and Maths on Tuesday, Task 2 for both on Wednesday and Task 3 for both on Thursday. This short, frequent style of homework will support children to consolidate their learning. Please find the answers on the class page. *The expectation is that children mark alongside parents/carers or self-mark*.

Children are to hand in their homework on Monday morning, alongside their reading record.

English: As Planned

Task 1: Grammar and Punctuation

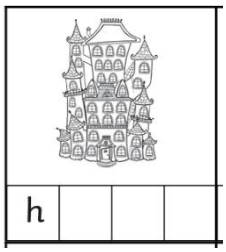

Fill in the correct punctuation in the sentences below.

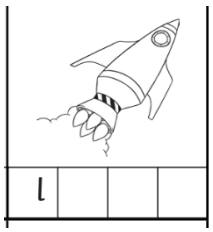

Remember capital letters, full stops and question marks.

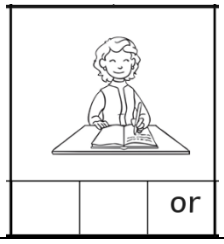

1. would you like to come to my party
2. david and jane saw a puppy for sale
3. why do i have to do my homework
4. how much do those apples cost

Task 2: Reading/Phonics

'Segment to spell. Focus: au

Task 3: Spelling Pattern

Spellings

author, dinosaur, floor, talk
water, match, picture

Tricky words: different, thought

Please practise these words throughout the week.

Mathematics

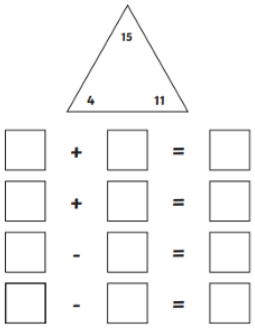

Task 1: Fluency

At school we have been practising our number bonds. Continue to practise these at home by playing hit the button 'Bonds to 10' or 'Bonds to 20' – depending on which you need most practice with. We aim for rapid recall of the facts eventually.

Task 2: Varied Fluency

Complete the fact families

Task 3: Reasoning

Complete the number sentences.

4 + _____ = 10

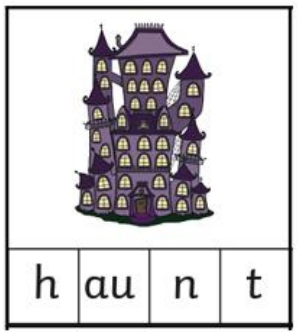

14 + _____ = 20

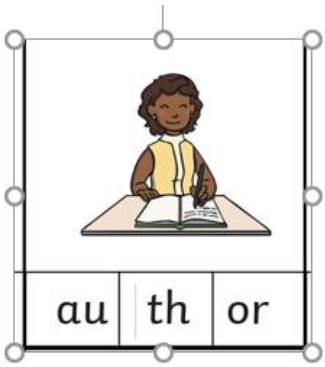

4 + _____ = 20

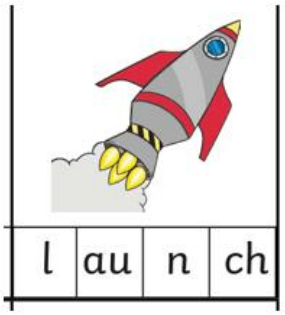

What do you notice?

St. Peter's Catholic Primary School

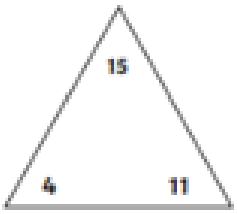

Answers: Segment to spell.

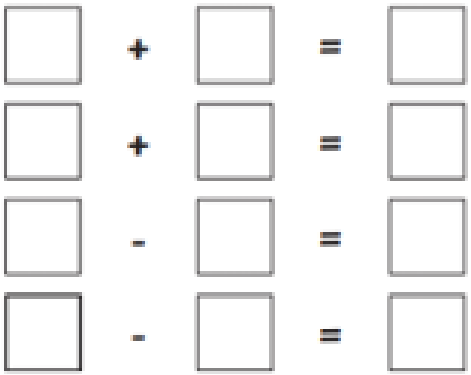

Answers: Maths

The children have been working on this last week.

11+4 = 15

4 + 11 = 15

15-4=11

15-11=4

Complete the number sentences

4 + _____ = 10

14 + _____ = 20

4 + _____ = 20

What do you notice?

The first two answers are 6 because 4 needs 6 more to make 10, and 14 needs 6 more to make 20. The last one is different because 4 needs 16 more to make 20. Answers relate to number bonds to 10/ 20 knowledge.
