Year 4 Homework Autumn Term Week 7 - 19.10.26

Please find below three English tasks and three Mathematics tasks for children to complete for their homework this week. Our recommendation is that children complete Task 1 for English and Maths on Tuesday, Task 2 for both on Wednesday and Task 3 for both on Thursday. This short, frequent style of homework will support children to consolidate their learning. Please find the answers below. *The expectation is that children mark alongside parents/carers or self-mark*.

Children are to hand in their homework on Friday morning, alongside their reading record.
